

Dear Track Parents,

We begin our 2008 season with great excitement. We have a solid core of returning upperclassmen that have already shown great leadership and a number of sophomores and freshmen eager to work hard.

In order to better serve you and your student athlete, we are having an informal question and answer session on **Wednesday, March 5th from 6:30pm – 7:30pm** in the cafeteria.

We hope you are able to attend and look forward to meeting you!

Sincerely,

Wayne Harris
